# VILLAGE OF WALTON HILLS

WORK. PLAY. LIVE.

## Journal

JULY 2014

Dear Residents and Neighbors,

As we prepare to celebrate our independence and enjoy the Fourth of July holiday, we should remember to be grateful for all of the freedoms that we enjoy. We should also be thankful for the blessed holidays that give us the opportunity to acknowledge the great country in which we live.

Regarding my trip to Washington D.C. at the end of May, I was very fortunate to have a positive and productive meeting with MAC Association members Matt Ward and Bill Hanka to discuss issues concerning the process of closing the Ford Stamping Plant. We will be starting a community task force to address the best use of this facility. This task force will include myself and leaders at the state and federal level (members from the Ohio and U.S. Environmental Protection Agency (EPA), the Ohio Economic Development Association (EDA), the U.S. Economic Development Administration, and Congressman Dave Joyce's office).

In the near future we will be talking with the real estate companies that hold the Ford property and will continue to make key contacts. We want to be transparent with the Village on environmental issues, involvement with the Ohio EPA and U.S. EPA, environmental assessments, plans of environmental cleanup if needed, and involvement with consultants to make

these processes go efficiently. This will enable us to move at a faster speed and be proactive instead of reactive. Also at the end of this year or the beginning of next year, we will be applying for an EDA Planning Grant, an EDA Public Economic Adjustment Assistant Grant, and an EPA Area Wide Planning Grant. We have started the process of applying for the CDBG Hood Grant for the corridor in our industrial area. We will be busy for the next 24 months on this process, and we would hope that we receive full cooperation from our state legislators. As of today, this has not happened. We hope that eventually our elected officials will step up and become involved in assisting us with this whole process.

There are some positive things to look forward to in our Village. Per the recommendation of the Sign Committee, all existing street name signs will be replaced with black and white reflective signs mounted on decorative posts. The signs will take about six to eight weeks to install, but they have been ordered and Council has given full authority to make it happen. A state standard for the reflectivity of all traffic and street signs is phasing in over the next several years, which has motivated the upgrade of all traffic control and street signs in the Village. We will have an article in next month's Journal about this new program. We are also planning on replacing the signage in front of the Village Hall and enhancing that as well. The 2014 Road Program has been approved by Council. A couple of roads will be repaired along with street striping and patching in the months of July and August.

As we move forward, each one of us can be thankful to be living in this wonderful country, and more specifically, to be living in Walton Hills, one of the greatest places in our nation. God bless everyone and thank you for the opportunity to serve.

Sincerely serving you,

*Kevin Hurst*

Mayor/Safety and Economic Director,  
I.G.I.T.

Mayor Kevin Hurst, Congressman Dave Joyce and Oakwood Mayor Gary Gottschalk at the Village's Memorial Day program.

# Walton Hills Police Department Information

Kenn Thellmann, Chief of Police  
Councilman Denny Linville, Safety Committee Chair

## Meet Your Auxiliary Police Officers

In July of 2013, the Walton Hills Police Department started an Auxiliary Police Unit to assist with the day to day operations. Today we have ten (10) auxiliary officers that can be seen patrolling our streets in their black and white police units. The auxiliary officers have numerous duties that they perform, such as vacation checks, funeral escorts, court details, prisoner care, directing traffic, etc. In the last two issues of the *Journal*, you were introduced to six of our auxiliary officers. We would like you to meet three more this month!

- **Glenn Lucore** graduated from Solon High School in 2010;
- Part-time employee in Glenwillow where he drives a plow/salt truck in the winter months
- Recent 2014 graduate of the Police Academy;
- Is a member of the Portage County REACT unit;
- Lives in Solon

- **Timothy Bowen** works for NPK Construction Equipment, located in Walton Hills;
- Graduated from Bedford High School in 1976;
- Enjoys golfing;
- Lives in Mayfield Heights with his wife Nadine.

- **Zachery Bryant** served four and a half years in the United States Marine Corps as an infantry rifleman and Security Forces;
- Currently attends college for video game design;
- Favorite hobby: magic tricks with cards;
- Works as a part-time Walton Hills Police Dispatcher;
- Also works as Walton Hills' Assistant Animal Warden;
- Lives in Parma

## Meet the New Veterans Liaison – Abby Frejofsky

Hello! I want to introduce myself to our Village residents. My name is Abby Frejofsky. I dispatch for the Village full-time as well as serving as an Auxiliary Officer when needed. Mayor Hurst has given me the opportunity to serve our Village as the Veterans Liaison. I am in the U.S. Army Reserves serving in my 7th year and was deployed to Afghanistan 2009-2010. We have many veterans in our Village that we want

to recognize and assist. There are so many benefits and programs available they are hard to keep track of! I want to hear from our veterans about what their needs are and how I can help get the answers. Please contact me at 440-232-1313 ext. 297 or [AbbyF@waltonhillsohio.gov](mailto:AbbyF@waltonhillsohio.gov). I would like to put a commemorative book together honoring our veterans. If anyone is interested in being recognized in it, please submit a picture then and now or either/or and a short description of time served and deployments. Thank you for your service!

# Walton Hills Police Department Information (continued)

## MRAP FOR SEALE

On Thursday, May 29th, the Walton Hills Police Department took delivery of a military surplus Mine-Resistant Ambush Protected (MRAP) vehicle for Southeast Area Law Enforcement (SEALE). The MRAP will be utilized by the SWAT and Bomb teams. All surplus military items are available to law enforcement at no cost. Good thing, because the sticker price on this particular MRAP was \$733,000! Thank you LESO (Law Enforcement Support Organization)!

## 4 New Police Vehicles Added to Fleet

In December of 2013, the Village of Walton Hills ordered four new Police Interceptors to replace four older model vehicles. The older vehicles all had well over 110,000 miles on each of them. The new vehicles arrived in early January, but due to new equipment requirements and sizes, had to be parked until the new equipment arrived. The equipment from the old police cars could not be utilized due to the different sizes of the new vehicles. New equipment had to be ordered to fit the new models because Ford no longer makes the Crown Victoria, the size of the Explorers has changed drastically, and we eliminated the larger Expedition SUV from our fleet.

The outfitting of a police car to get it ready for service is not as easy as you may think. First the car must go for its outside graphics (lettering). The next step is to the install shop where items such as prisoner partitions, light bars, radios, sirens, control

panels, MDTs (mobile data terminals), in-car video systems, plastic rear seats, window bars, howler sirens, other exterior lighting, push bumpers, etc. are installed. Once all of this is completed, the vehicle is ready for service.

Of the four new vehicles, one is a grey Police Interceptor and the other three are Police Interceptor Explorers. One new Explorer is also the K9 vehicle, which will be used to transport our department K9, ARO. With Ford's new design on these vehicles, all of the Interceptors (both cars and SUVs) will utilize the same parts, making repair and servicing much easier and more cost effective. Our older Explorer, as opposed to auctioning it off, was turned into an Auxiliary Police Unit. Having this vehicle in the Auxiliary Unit will be very beneficial to our auxiliary officers in the winter months for safe and effective travel during inclement weather.

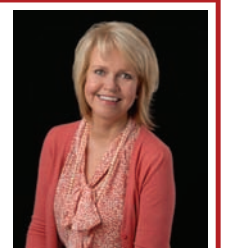

*May you and yours  
Have a wonderful  
4th of July*

# Fiscal Officer's Report

**Vic Nogalo, Fiscal Officer / Don Kolograf, Finance Committee Chairman**

The Village of Walton Hills is nearing the completion of its fourth year of a five year contract with Kimble Recycling & Disposal for refuse collection. The Village will be faced with several decisions relating to refuse collection, recycling and yard waste next year when the contract expires on August 1, 2015.

Over the years, the Village has joined forces with Bedford, Bedford Heights and Orange to form a consortium in order to land a more favorable waste collection contract than can be achieved individually. The latest contract was initially agreed upon with J & J Refuse for five years with a three year option. J & J Refuse has since changed its name to Kimble.

The Village's 2014 monthly refuse invoice is comprised of a fixed monthly charge of \$9.11 per each residence (\$109.32 annual) and the cost to dispose of the waste collection at the landfill. For the first nine months of the consortium's contractual fourth year (Aug 2013 – Apr 2014), 24,822 tons have been sent to the landfill at a charge of \$41.68 per ton. Based on a full year projection, the landfill charge for each residence is estimated at \$36.77. The annual cost per residence can be estimated at \$146.09.

**The first three fiscal years can be summarized as follows:**

Period	Refuse in tons	Rate per Ton	Cost	Cost per Residence	Pickup Service Cost per Residence	Total Cost per Residence
Aug 2010- July 2011	933.46	\$38.75	\$36,171.58	\$40.19	\$101.64	<b>\$141.83</b>
Aug 2011- July 2012	921.26	\$40.22	\$37,053.08	\$41.17	\$105.48	<b>\$146.65</b>
Aug 2012- July 2013	871.45	\$40.78	\$35,537.73	\$39.49	\$106.92	<b>\$146.41</b>

The contract mandates that the fixed monthly charge per residence and landfill disposal increase annually based on the Consumer Price Index. Despite these increases, the Village has not experienced a significant overall increase mainly due to a decrease of waste hauled to the landfill. This can be attributed to residents' recycling efforts with respect to:

- Recycled curbside – cardboard, bottles, plastics and cans
- Recycled yard waste – leaf collection and brush chipping
- Recycling roundups – hazardous waste, tires and computers
- Recycling paper bins – Village Hall drop off
- Paper shredding – annually performed in May

Going forward, the Village will be looking at improving its recycling efforts through automation whereby all residents will receive two wheel based bins, one for regular waste and one for recycling. Currently, over one-third of the Cuyahoga County municipalities are fully automated.

To quote one waste hauler official,  
*"Eventually everyone will be automated, it's inevitable."*

## Thank You Carol James Florist

Our most sincere appreciation is extended to Carol James Florist, located at 451 Broadway Avenue in Bedford, for donating a beautiful floral arrangement for display in the Village Hall lobby every week.

*Please patronize this wonderful florist! Their phone number is 440.786.1811.*

# June Recreation News

Carol Stanoszek, Recreation Director (440) 786-2964 stanoszekc@waltonhillsohio.gov  
Mary Brenner, Recreation and Community Life Committee Chairwoman

**Event: HARD ROCK ROCKSINO****Date: Wednesday, July 9th**

Time: Be at the Village Hall between 9:45am – 10am

Site: Northfield

Cost: Free!

Note: You must arrive at the Rocksino in our bus and stay till 3pm. Receive \$15 in slot and \$5 in food! Call Carol to RSVP before July 3rd (440.786.2964)**Event: VELVET ICE CREAM CO. & YE OLDE MILL****Date: Thursday, July 17th**

Time: Leave Village Hall at a time TBA

Site: Utica, Ohio

Cost: \$2.00

Note: Tour the mill (lots of walking and standing). Enjoy lunch and ice cream!

**Event: SENIOR LUNCH****Date: Monday, July 28th**

Time: 11:15am

Site: Walton Hills Lake

Cost: Free!

Note: Enjoy picnic foods at the Lake. Come and share a nice lunch with friends. Sign up by calling Carol at 440.786.2964 by July 23rd.

## Free Summer Concerts on Thursday Nights!

We are excited to report that Walton Hills has maintained a great working relationship with the mayors of Oakwood and Glenwillow and are pleased to offer you exciting entertainment this summer! The following free concerts will take place on seven consecutive Thursdays between 7pm and 9pm at various locations in Oakwood. If it rains or is too hot, concerts will be held in the cool comfort of the Mt. Zion Fine Arts Center (1 Mount Zion Circle, across the street from Petitti Garden Center, 24964 Broadway Avenue). Don't forget your lawn chairs!

**July 10<sup>th</sup>****Logan Wells** at the Oakwood Village Hall gazebo (Country music)**July 17<sup>th</sup>****The Chardon Polka Band** at the Oakwood Village Hall gazebo**July 24<sup>th</sup>**

**Jennifer Holiday**, (Tony award-winning stage actress and Grammy Award winning recording artist with her hit from *Dreamgirls*, "And I Am Telling You.") **Dinner & Show at Mt. Zion Fine Arts Center.** The dinner is served at 5:30pm and show time for this event only is 7:15pm. The cost of the dinner is \$7 per resident (CASH ONLY please). You must sign up at the Walton Hills Village Hall by 4pm on Thursday, July 17th. You have a choice of fried chicken on a stick OR grilled sirloin steak on a stick plus Miles Farmer's Market homemade broccoli salad and mashed potatoes with cheesecake bits for dessert.

**July 31<sup>st</sup>****Shout "Legends of Soul" Show Band** at Hawthorne Valley Shopping Center parking lot (23100 Broadway Avenue)**August 7<sup>th</sup>****Mike Albert's "Memories of Elvis Show"** at Hawthorne Valley Shopping Center**August 14<sup>th</sup>****Stayin' Alive** (Bee Gees tribute band) at Hawthorne Valley Shopping Center**August 22<sup>nd</sup>****The Shirelles and FIREWORKS** at Oakwood Community Park

# Community Day!

## Sunday, August 10, 2014 (Tentative Agenda)

Noon	Opening ceremonies including flag raising!
Noon to 2pm	Jerry Cole & the High Plains Drifters – Rockabilly, Polka, Classic Rock, Country
Noon to 8pm	Kids Carnival Games
Noon to 8pm	Photo Booth—prints color or B&W photo strips—add borders or hairdo's. \$1 or free with wrist band
	Boulderdash – 48" or taller. Attempt to hop from pedestal to pedestal while dodging boulders!
	Vertical Rush – 36" or taller. Test your endurance
	Log Slammer – 48" or taller. Challenge your agility and balance
	My Little Farm – For ages 1 to 6. Inflatable bouncer, ball pit and 3D animals
12:30pm to 7pm	Walton Hills Grand Prix – remote control cars and airplanes
1:30pm to 3pm	Balloon Bender Dave
2pm to 4pm	D.J. Julie
2pm to 5pm	Ron Hill – Caricature artist (only \$2 per person)
3:30pm to 4pm	Karaoke
4pm	Babes of 1916 Softball Game - (baseball diamond 2)
4pm	Baseball trophies distributed
4:30pm	Citizens League Presentation – Citizen of the Year 2014
5pm to 6pm	Good Vibrations – Beach Boys tribute band
5pm to 7pm	Rocket Ride! Euclid Beach Rocket Ship car ride
6pm	Special visit from a super hero!
7pm	Walton Hills Grand Prix Remote Control Car Race
7pm to 9pm	Blue Eyed Soul Band – R & B band
8pm	Announcement of raffle winners

**Dusk**

**FIREWORKS EXTRAVAGANZA!**

Tickets can be purchased at the Recreation Ticket Booth- \$2.00 Individual Ticket, \$12.00 for Individual Pass / Unlimited Usage; \$25.00 Family Pass / Unlimited Usage (family members only - no neighbors or friends accepted with Family Pass!)

**BRING YOUR CAMERAS, FAMILIES, FRIENDS and ENJOY!**

# Street Commissioner's Report

**Dan Stucky, Street Commissioner**

The Village Service Department kept very busy this spring with landscaping the Village Hall and T.G. Young Park grounds. We have planted flowers around the Veterans' Monument and courtyard areas of the Village Hall. We have also been busy with grass cutting, brush chipping and a few asphalt road repairs.

We recently received a copy of the Cuyahoga County Solid Waste District's 2013 annual report which lists recycling information

for all 59 Cuyahoga County municipalities. Walton Hills recycled 62.24% of all waste generated in the Village. This represents the sixth best recycling rate of all 59 communities.

**A friendly reminder from your Zoning Inspector:** Now that summer is upon us, let's all do our part to keep Walton Hills beautiful. Please maintain your property to the edge of the street per our Codified Ordinances.

## 2014 Village Road Program

**Councilman Brian Spitznagel, Infrastructure Committee Chairman**

The June 4th Committee of the Whole meeting focused on our village roads. Council, the mayor and our engineer discussed options for keeping our roads in a satisfactory condition for years to come while keeping within our budgetary constraints.

We were fortunate in years passed to have a revenue stream that supported paying cash for most of our projects and the wisdom of previous councils that established an on-going road maintenance program. This is why, although in need of repair, our roads are in much better condition today than many of our surrounding neighbors.

Recent times brought us decreased revenues and we were left with no choice but to put our road program on hold, only doing spot repairs where needed most. Major projects such as Egbert Road were funded mostly through a partnership with the Cleveland Division of Water, Cuyahoga County, and the aggressive search for and use of grants.

Although we still aren't back in the enviable position we once were, council and the mayor agree that improvements in our budget allows us to implement a more aggressive form of road program. Our engineer continually identifies roads in need of repair; whether they are spot-repairs or more structural in nature. He then ranks them and determines which roads should be done first. Our 2014 budget already includes about \$145,000 for spot

repairs and other minor road maintenance throughout the village. Council has agreed to add approximately \$130,000 to the 2014 budget to have two roads, Summerset and Jefferson, repaved this year. The engineer has identified these two roads as being the most in need while falling within our budgetary constraints.

Starting next year, the engineer will group a number of roads into a \$500,000 to \$700,000 project. Having a larger project consisting of several roads increases the likelihood of getting a lower project cost. Our goal then is to take out a five year bond anticipation note, which will spread the cost out into the next five years. This will bring the yearly expenditure in line with our budget allowance. After this group of roads is paid for, we will begin the second group the engineer has identified. We will still be doing spot repairs throughout the village as needed.

The Sagamore Road rehabilitation project is moving forward. Council passed a resolution to accept grant money from the Ohio Public Works Commission. Walton Hills is serving as the central depositor for the grant and we will be distributing funds to the other communities based on the percentage of Sagamore Road within their boundaries. Like Egbert Road the water line will be replaced with the Cleveland Water District paying the cost. Surfacing costs will be paid by each community based on percentage and each community will be obtaining a 0%, 30-year loan for their portion of expenses not paid by the grant.

## K & K Meat Shoppe

6172 Dunham Road – Maple Heights (Turney-Dunham Shopping Plaza)

**216.662.2644 "Where Service & Quality Meat"**

Store Hours: Monday – Friday 9am to 6pm; Saturday 9am to 5pm; Sunday 9am to 2pm

Owned and Operated by Walton Hills Resident Dennis J. Kolar, Jr. - Family Owned and Operated Since 1979

## Legislation Unanimously Approved at the 6.17.14 Council Meeting

**Council meeting minutes are available in their entirety on the Village website**

Ordinance No. 2014-4 appropriates money to fund the 2014 Road Program, beautification of several village intersections and a new van for the Recreation and Community Life Department.

Ordinance No. 2014-5 modifies the current bid requirement of the Village

Resolution No. 2014-20 authorizes the preparation of bid specifications and advertisement for the 2014 asphalt road program.

Resolution No. 2014-23 adopts the tax budget of the Village of Walton Hills for the fiscal year of 2015

Resolution No. 2014-24 authorizes a contract with "A Sign Above" for the procurement of sign poles, brackets and signs for the Village street sign project

Resolution No. 2014-25 authorizes the acceptance of an Ohio Public Works Commission grant and the entering into a cooperative agreement with Northfield Village, Valley View and Sagamore Hills to complete engineering and bidding for the Sagamore Road Rehabilitation and Water Main Replacement Project

## Opportunity for Students Interested in Politics and Government

ATTENTION!! Students entering the 7th and 12th grades, if you are interested in politics and how our government works and want to experience first hand writing legislation, please contact the Village Hall at 440.232.7800. The Hawthorne Valley Youth Council offers first hand opportunities in learning and influencing legislation. It's a great chance for you to make a difference and gain leadership skills. All residents of the Bedford School District are eligible, even if they attend schools in other school districts. Please don't miss out on this wonderful opportunity!

## St. Michael Student Wins Handwriting Contest

Resident John Michael Foliano, a fifth grade student at St. Michael Catholic School, was named Ohio's Grade 5 State Grade-Level Winner for Non-Public Schools in the 23rd annual Zaner-Bloser National Handwriting Contest. More than 300,000 entries were submitted from students across the country. The contest encourages legible handwriting by evaluating the handwriting abilities (based on Zaner-Bloser *Keys to Legibility*: size, shape, spacing, and slant) of students in Grades K-8 whose schools use

Zaner-Bloser Handwriting curricula. After each participating school held their own handwriting contest, one winning student from each grade was entered in the Zaner-Bloser National Handwriting Contest to compete to become a State Grade-Level Winner, a National Grade-Level Semifinalist, and the Grand National Grade-Level Champion.

Mrs. Margaret Campisi, principal of St. Michael School, was thrilled with the outcome of the contest. "We are so very excited and proud of John. His handwriting skills are perfect. John is a great student who works hard, does very well in school, and is a responsible young man. We wish him the best of luck as he moves on to the Nationals."

John Michael Foliano was awarded a medallion by Zaner-Bloser, an etched diamond award to John Michael's teacher, Miss Laura Trzeciak and a \$200 Zaner-Bloser gift certificate to St. Michael School.

John Michael Foliano proudly poses with Laura Trzeciak, fifth grade teacher, St. Michael School; Joan Marttala, Zaner-Bloser; and Margaret Campisi, principal, St. Michael School. Congratulations John Michael!

# Spotlight on

## Nick D'Amico

### One of the many threads in the fabric of our Village

Resident Nick D'Amico is comfortable with his quiet life in Walton Hills. He grew up in Cleveland on Kinsman Road and then on Miles Avenue and attended John Adams High School. He met his late wife Janet while they were both on vacation with their friends at Geneva on the Lake and they were married in 1954. They had a great life together for 58½ years. He has wonderful memories of his wife, who was a dedicated teacher for mentally challenged children. Nick and Janet moved into the Village in 1976. They had three sons — Joe, Michael and Nicholas. Joe lives with his wife Lisa and daughters Monica and Alexandra on South Meadowpark Drive. Nick has five grandchildren who keep him young at heart.

Nick's first job was at Empire Plow Co. where he worked for a brief amount of time. In 1949 he enlisted in the Marine Corps during the Korean Conflict. He was medically discharged

in 1951. Unsure of his next move, he ran into a friend who was working as a bricklayer. This seemed to be a profitable line of work, so Nick became an apprentice bricklayer and worked in that profession for ten years.

Growing tired of bricklaying, he followed the simple philosophy of "do what you love and the money will follow." Since the age of 12, Nick has loved horses. He became a professional farrier, which is a specialist in equine hoof care, including the trimming and balancing of horses' hooves and the placing of shoes on their hooves. It is interesting to note that horses' shoes are usually changed every four or five weeks! He worked at Thistledown Racetrack in North Randall and at Cyrus Eaton's farm in Sagamore Hills, (where Eaton Estates is now located), where he took care of about 20 horses. Nick also owned horses for many years,

some of which he kept at his home on Shaner Drive and also at his previous home in Brecksville. He also kept horses at stables near the Astorhurst Golf Course. He thoroughly enjoyed riding horses for many years. He also bought and sold horses and raced some of them at Thistledown.

Nick tried his hand at being a landlord for five years. He bought two old houses in Akron and rented them out, sometimes even for as little as one week! It was fruitful for a while, but when the going got tough, he gave the houses back to the man who held the mortgage on the houses.

Nick feels that Walton Hills is a great place to live if it doesn't change. He doesn't want street lights or sidewalks; he doesn't like too many rules. He simply loves the country feel of our peaceful Village!

### Get to Know Nick

Favorite movie	Red River
